Dear Pastor Tom

I graduated from your program 8/22/01. Four and a half years ago, I was homeless, suicidal and drunk all the time. I could not cross the street [without drinking]. By the Grace and Glory of God and your program, I am sober today and I have spent much of my time traveling the world places like Peru, China and Egypt. Needless to say, God by my side, I have been able to most certainly "cross the street". So I wanted to thank you for being so instrumental in opening my heart to God's love. But of course it's All to the Glory of God.
