

Thank God He has a plan. He truly does. I know because five years ago, after ten years of a marriage based upon being “drinking buddies” with my husband, Jay, the Lord has set us free.

Although we both were in terrible bondage to alcohol, the Lord knew that unless my husband found salvation and got sober, there would surely be no hope for me. So God in His wisdom brought Jay to his knees, and led him to Calvary Ranch where just after a few days, the Holy Spirit began to fill him and lift him and redeem him. I reached out to Jay at the ranch and two days after speaking to him, I entered the program.

Two short weeks at Calvary Ranch changed us. We came broken and bereft, sick and tired and spiritually bankrupt. We left having accepted Jesus as our Lord and Savior. We are no longer without purpose and direction and we are freed from the bondage of alcohol.

Our marriage could not have continued with the abuse of alcohol in our home—thank God that abuse ended with my husband. God knew we needed to be on the same path and thanks to everyone at Calvary Ranch, we are.

Thank you Pastor Tom, Sister Paulette, and everyone at Calvary Ranch that helped us find the way to Jesus.
