Dear Pastor Tom and Calvary Ranch,

Two weeks and counting...looking back on all that's happened, I truly see God's hand in each part of it. From the DUI to the sense of hopelessness, immediately following, then the frantic search for a rehab, which by the grace of God would be Calvary Ranch.

From there my hope was restored as I accepted Jesus Christ into my life and felt a sense of purpose for the first time. Then my time at the ranch consisted of spiritual and physical growth, which built me up so that I would be strong enough to face the next six and a half months in jail.

Now as I look back on these last six months in jail, I see that they have shaped me and will definitely be helpful in easing me back into the world. I am anxiously awaiting the next phase in which I will see what God has planned for me and I can focus on His will for my life.

Thank you Pastor Tom and Calvary Ranch for showing me the doorway to my salvation. Peace be with you.

Love,  
Brother Matthew
