Dear Pastor Tom and Calvary Ranch:

I just really want to give a big THANK YOU for all that you guys did for me. Your program changed me and I now have a purpose in life that I've never had before. God continues to bless me and I wouldn't have even known how loving he is if I hadn't been through your program. My parents and friends are also blessed as they see the changes that have been made in my overall attitude and behavior.

I am typing this from work where I am waiting for my best friend to come in so that we can do our morning Bible study. It's a quick 3 minute devotional that we do, so it's not too much but it's a great way to start the day. Other than that I have been keeping with what we did in the program by reading a Proverb every day and my daily segment from the bible. I'm keeping pretty busy with my day job and business, not to mention the community service and DUI classes that I have been attending. It's nice to be able to stay busy like this because it keeps me from having time to drink even if I wanted to! Plus if I were to take a drink at this point, there is no way I could do all the things that I need to do on a hangover. I am really happy with my new life and I'm trying my best to persevere through all my trials. Little by little I am getting my life back, and I can see God's hand in all of it.

So I just wanted to say thank you for all of the support and love that you showed to me. You all have truly changed my life and God bless each and every one of you.

Love,
Brother Matt
